

### **itelligence Admitted to SAP NetWeaver™ Partner Initiative**

Frankfurt, Germany, February 3, 2004 - itelligence AG today announced that it has been accepted into the SAP NetWeaver™ Partner Initiative. This makes itelligence one of the first IT consulting firms in the world to become a member of the new SAP NetWeaver Initiative. itelligence will cooperate closely with SAP AG in the area of the SAP NetWeaver technology platform and pursue joint market and marketing activities.

The announcement will expand itelligence's strategic cooperation with SAP and underlines its proven strength in combining technological know-how with consulting experience - especially with regard to innovative topics such as SAP NetWeaver. itelligence's track record includes the successful introduction of SAP® Enterprise Portal at BAUER AG and the implementation of SAP Business Intelligence (SAP™ BI) at Testo AG.

"Our customers will benefit directly from our strong commitment to SAP NetWeaver. SAP NetWeaver's genuine innovation and its unparalleled integratability means clear cost advantages during implementation. I am glad that we are among SAP's closest partners involved in the SAP NetWeaver Partner Initiative," said Herbert Vogel, CEO of itelligence AG, with regard to the company's early admission to the network.

itelligence AG is constantly developing and refining the qualifications obtained. In early 2003, the company was appointed as an SAP Global Services Partner, with more titles following in the course of the year such as the Special Expertise Partnership for SAP Enterprise Portal and mySAP™ Supplier Relationship Management (mySAP™ SRM). These titles identify itelligence as a consulting and implementation specialist recommended by SAP for the respective environments.
