

### **SAPCON Acquires 100 Percent Interest in AGFIT a.s.**

- **Strategic investment in IT and SAP consultancy in the Czech Republic**
- **AGFIT owner and founder expects further growth with SAPCON**
- **SAPCON now offers solutions for the chemical and food industries**

Prague, July 7, 2010 – SAPCON a.s. is today announcing its 100 percent acquisition of AGFIT a.s., headquartered in Prague, Czech Republic, which offers IT and SAP consulting services for large and mid-market clients. With this strategic acquisition, SAPCON underscores its continuing commitment and a solid foundation for growth in this market. SAPCON is part of the itelligence AG.

“The combination of AGFIT’s longstanding knowledge of licensing and consulting with SAPCON’s implementation of SAP solutions, broad range of SAP support services and commitment to strong client relationships will enhance our position as a player of scale across the Czech Republic and provides a great opportunity for the future,” commented Rajmund Pavla, Managing Director of SAPCON – Member of itelligence Group.

AGFIT’s customers are large and medium-sized companies conducting business in the chemical, agricultural and food processing industries. AGFIT has established long-term relationships with its clients and is a selected vendor for all their SAP-related needs.

This acquisition will enable SAPCON to deliver SAP Solutions and IT consulting to a larger customer base and accelerate the expected growth. AGFIT owner and founder Dan Bureš will continue to run the company as Director at SAPCON – Member of itelligence Group.

Dan Bureš, founder and owner of AGFIT, said: “We can now offer new and expanded services, additionally itelligence will provide value to our distribution.”

SAPCON a.s. is part of the itelligence AG, a leading international full service provider of SAP solutions.

## About itelligence

**SAPCON – Member of itelligence Group – itelligence is one of the leading international full-service providers of solutions in support of SAP solutions, employing more than 1,650 highly qualified employees in 19 countries and in five regions (America, Asia, Western Europe, Eastern Europe and Germany/Austria). As a frequently awarded SAP partner itelligence realizes complex projects in the SAP solution-based environment for over 3,000 customers worldwide. In 2006, itelligence obtained gold-level status as an SAP channel partner as part of the SAP PartnerEdge™ program in Germany, and in the U.S. in 2007. The company's services in support of SAP solutions range from consulting and licensing to outsourcing and services to proprietary industry-specific SAP. In 2009, itelligence generated total sales of EUR 220 million.**
