

Systems 2005: itelligence AG successful as SAP NetWeaver Special Expertise Partner SAP designates itelligence as SAP NetWeaver Special Expertise Partner

Bielefeld, October 24, 2005 – SAP Deutschland GmbH & Co. KG, Walldorf, once again confirms itelligence AG's top competence in the implementation of SAP technologies in customer projects and designates itelligence as a NetWeaver Special Expertise Partner.

SAP is renewing and extending its Special Expertise Partnerships (SEP) with itelligence AG in the following areas: SEP mySAP Supplier Relationship Management (mySAP SRM), SEP mySAP Customer Relationship Management (mySAP CRM), SEP SAP NetWeaver Portal (formerly SAP Enterprise Portal) and SEP SAP Exchange Infrastructure (SAP XI). The full-service IT service provider for solutions in the SAP environment, itelligence from Bielefeld, which has approximately 1,000 employees, thus numbers amongst the SAP partners with the most qualifications on a global basis.

Special Expertise Partnerships are granted by SAP for only a year at a time. In annual audits, the SAP partners must repeatedly prove their capability for each individual Special Expertise Partnership. As recently as August 24, 2005 SAP designated itelligence as a new Special Expertise Partner Automotive for the automobile industry.

Herbert Vogel: "I am very pleased by SAP's confirmation of the Special Expertise Partnerships and with our new Special Expertise Partnership for the automobile industry. They aptly demonstrate the way we work: implementing the latest technology in customer projects coupled with the highest quality advice. itelligence differentiates itself from its competition with the broad range of topics it covers and via the expertise verified by the Special Expertise Partnerships."

Systems 2005: itelligence AG successful as SAP NetWeaver Special Expertise Partner
SAP designates itelligence as SAP NetWeaver Special Expertise Partner

Customers can easily identify Special Expertise Partner as experts in a specific SAP solution: each participant in the Special Expertise Program is listed as a Special Expertise Partner on the SAP website. Thanks to joint planning by SAP and the Special Expertise Partners, these certified consultants have a head start in terms of information compared with other consulting companies.

Personal contacts at SAP ensure their Special Expertise Partners receive optimal support. One more key plus point for Special Expertise Partners: the Special Expertise Partner status simplifies access to SAP development and guarantees the customer that itelligence is using verified and current expertise that has been certified by SAP.
